

Quicken Conversion

Instructions

As Union State Bank completes its system conversion, you will need to modify your Quicken settings to ensure that your data connectivity transfers smoothly to the new system. This document contains instructions for both Windows and Mac, and the connectivity types Web Connect and Express Web Connect.

IMPORTANT: Express Web Connect will not be available from 11/6/2020 until 11/17/2020, please utilize another connectivity type if you need transaction updates during this downtime. There is no delay for Web Connect.
